

PRE-ASSEMBLY WORKSHOPS

AMS CUSHIONS TRAVEL ACROSS CANADA

In January 2010, the word went out to AMS auxiliaries throughout the Atlantic Provinces asking for 140 cushions for participants in the Pre-Assembly Workshops (PAWS) to be held prior to the meeting of the General Assembly in Cape Breton in June.

The response was enthusiastic, generous and artistic.

Pictured below are members of the AMS
at St. Matthew's P.C., Wallace, N.S.

They are holding some PAWS Pillows crafted for
the 136th General Assembly Workshop this June in Cape Breton.

Left to right are: Bernice Elliott, Joan Atkinson, Anne Wallace,
Marion Dotten, and Norma Dewar.

One pillow has a picture of St. Matthew's; another pillow is stitched with a Burning Bush;
two pillows have the Scottish thistle; and another shows the PAW symbol.

Elder Gerrie Akkerman, First Presbyterian Church, Stellarton, N.S.
is an associate member with the Florence Young Auxiliary
and was instrumental in both the design and completion of this project in her auxiliary.
